God is enough! Or, is God enough? What God do we believe in? Is it the God who created the universe, who has intervened throughout history, who was incarnated in the person of Christ, who saved the world? If this is the God we believe in, then He is enough for every situation and difficulty of life. If we think God is not enough, then what God do we believe in? We thus believe in an idol, a false god, a god who is not the Almighty God of heaven! (Archbishop Anastasios of Albania)
