Jesus Christ offers us Living Water that refreshes us, cleanses us, and gives us life. Here is the promise Jesus offered to the broken, marginalized, sinful Samaritan Woman, and it is the same promise He makes to each one of us. "Come to me and drink from my Living Water, come and drink daily and I will give you water that refreshes your soul, that cleanses your spirit, and that gives you an abundant life." And there is one more unbelievable part of this promise – "Whoever drinks of this water will never thirst again!" This Living Water quenches our souls for all eternity, because this water becomes a fountain of life springing up within us. May we all drink deeply from this well of life!—Fr. Luke Veronis
